

### REMARKS/ARGUMENTS

The application was originally filed with claims 1-36. In a preliminary amendment, claims 1-36 were cancelled and replaced with claims 37-69. The office action failed to consider claims 67-69.

Claims 38-52, 59, and 68 remain in this application. Claims 37, 53-58, 60-67 and 69 have been cancelled.

The examiner has acknowledged that claims 39-42, 46, 48-52 and 59 are directed to allowable subject matter. These allowable claims have been rewritten so that they do not depend on any rejected claims, and are now believed to be allowable. Rejected claims 38, 43-45, 47, and 68 have been amended to depend and further limit allowable claims. Accordingly, these claims also should be allowable.

Please extend the time for responding to the office action to the mailing date of this response. A Petition For Extension Of Time is enclosed charging the extension fee to the deposit account of MacMillan, Sobanski & Todd, LLC.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

By Oliver E. Todd, Jr.
